ACCESS TO GENETIC RESOURCES SUMMARY SHEET

Application Ref No :

PART I:(Individual)

Name :

Identification No/Passport No :

Postal Address :

Country :

County :

PIN No :

Permanent Residential Address :

E-mail :

Qualifications :

Curriculum Vitae to be attached below of form

Application Date :

PART II:(Corporate/Organization)

Name of Corporate/Organization :

Permanent Address :

Registered Address :

Registration No :

Attach copy of certificate of registration below of form

Qualification of individuals in the project :

Curriculum Vitae to be attached below of form

Details (if any) of Holding and subsidiary

institutions :

Details (if any) Individuals connected to the project :

Name of the contact person in regard to this application and the position held in the organization :

PART III : FOR ALL APPLICANTS

Financial Details

The total budget of the project :

Details of any corporate or individual sponsors of the project (attach evidence of financial support) :

Technical Particulars

a) What are the details of your previous collection/research (if any) conducted in any of the East African countries(e.g. Kenya, Uganda etc.) :

(b) With regard to genetic resources for which access is sought, the following must be provided :

i) Scientific names of taxa:

ii) Specific sites in which access will be undertaken:

iii) Possible Location:

iv) Parts of genetic resources to be collected:
(tissues, cells, seeds, leaves, microbes, etc)

v) Perivatives and/or Products:

vi) Quantities to be collected:

vii) Any known uses of the genetic resources:

viii)In case of genetic resources held ex-situ, details of the relevant depository institution:

c) With regard to the planned collecting mission, the following must be provided :

i) Identification of provider(s) of genetic resources for which access is sought:

ii) Collection methods to be used:

iii) If there are any Kenyan nationals or institutions to be used, their particulars:

iv) Expected date of commencement and completion of activity:

v) Information regarding immigration status in Kenya of foreign individuals that will visit Kenya:

d) Proposed use of genetic resources :

i) Form of use to which the genetic resources will be put:

ii) Expected research results:

iii) Geographical location in which element of the research will take place:

e) Details of any royalties, payments and/or other compensation that the applicant offers for access to genetic resources :

f) Will the applicant require assistance to identify and access the genetic resources described in this application? If yes, give details of the assistance that will be required:

g) A copy of the Prior Informed Consent document signed by the relevant lead agencies, local community or private owner of the genetic resources:

h) A copy of research clearance document from the National Council of Science and Technology :

(i) Any other information in the possession of the applicant which might be useful for the National Environment Management Authority to make an informed decision in granting an access permit. (Comprehensive project proposal etc)

Material transfer agreement (If the genetic materials will be transfer outside of Kenya) attach copy below and a copy of Memorandum of Understanding if there is collaboration between institutions:

Renewal Details:

a) Is this an application for renewal of an access permit? : (If yes please specify the

☐

details below)

b)Access Permit No :

c)Granted on(Date) :

Attachments (Project proposals, evidence of financial support etc.,& Evidence of access permit application fee payment) :
